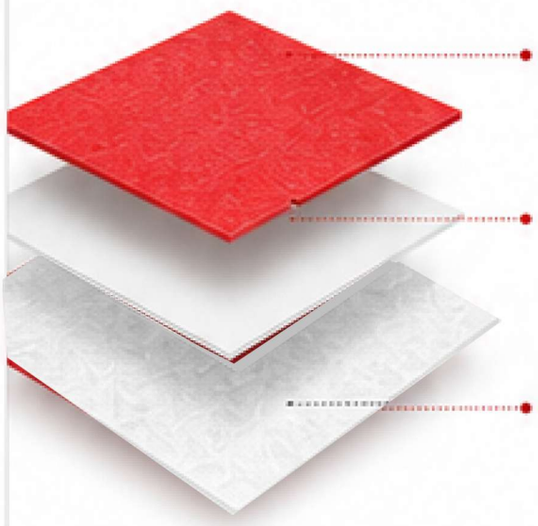
AUSTRALIA WIDE DELIVERY | COMPETITIVE BULK PRICING | QUALITY YOU CAN TRUST

HEAVY DUTY 260GSM
SELF-ADHESIVE FLOOR PROTECTION FELT

Premium Heavy Duty Temporary Floor Protection for Construction, Renovation & Fit-Out Projects

ANTI-SLIP SURFACE | WATERPROOF PROTECTION | SELF-ADHESIVE BACKING | NO RESIDUE REMOVAL | REACH CERTIFIED | SGS ROHS COMPLIANT

MULTI-LAYER CONSTRUCTION



30gsm PE FILM
Waterproof surface layer protects against spills, paint & moisture

10gsm ADHESIVE LAYER
Strong pressure-sensitive adhesive for secure hold without residue

220gsm NON-WOVEN FELT
Heavy-duty felt absorbs impact and protects against scratches & damage

WHY THIS CONSTRUCTION WORKS

The combination of a waterproof PE film, pressure-sensitive adhesive layer and heavy-duty non-woven felt creates a floor protection system capable of handling demanding construction environments while remaining easy to install and remove.

PRODUCT SNAPSHOT

Product Name	Heavy Duty Floor Protection Felt
Product Weight	260gsm
Colour	Red
Roll Size	1m x 50m
Coverage	50m²
Waterproof	Yes
Anti-Slip	Yes
